

ContentHub

Your multi-channel healthcare collateral management and distribution platform

Your teams can easily access and deliver print and digital communications, including educational materials, care management materials, brochures, training and more

Patient communications need to be relevant and delivered effectively to increase engagement, drive healthier outcomes, and enhance the patient experience.

With Broadridge's ContentHub, you can access real-time, relevant collateral and deliver it digitally or in print.

MANAGE YOUR COMMUNICATIONS EASILY

Innovative healthcare organizations rely on ContentHub to manage their collateral—from meeting brand and regulatory requirements to requesting and distributing personalized communications.

Our solution offers a centralized library for providers and system administrators to access content and distribute to care teams, patients, and their families.

In addition to digital delivery, ContentHub provides efficient print-on-demand (POD) capabilities, leveraging Broadridge's sophisticated fulfillment technology, proven processes, and print and postal optimization solutions.

DELIVER BOTTOM-LINE RESULTS

- Streamline print and digital content management and versioning
- Customize patient-specific communications
- Leverage integration capabilities
- Offer an intuitive, single sign-on (SSO) ordering process
- Provide insights on each piece of material within a searchable content library
- Deliver real-time tracking and reporting to understand effectiveness of communications
